## WHAT'S NEW

### RESTAURANTS

#### Burgers and shakes

City folks no longer have to travel north to St. Helena for the burgers and shakes at Taylor's Refresher, open since 1949 in that Wine Country town. Last week, an outpost opened at the San Francisco Ferry Building.

The menu takes some detours off the burger-stand route with items like fish tacos and ahi burgers, which customers can enjoy on large outdoor patio or inside facing the long, retro counter.

*Taylor's Refresher, Ferry Building, San Francisco; (866) 328-3663. Open 11 a.m.-8 p.m. daily. Soups, sandwiches and salads, \$2.99-\$9.99.*
